CONSENT AGREEMENT IN TERMS OF SECTION 49D READ WITH SECTION 58(1)(a)(iii) and 58(1)(b) OF THE COMPETITION ACT, 1998 (ACT NO. 89 OF 1998), AS AMENDED, BETWEEN THE COMPETITION COMMISSION ("THE COMMISSION") AND SENTRAAL-SUID CO-OPERATIVE LIMITED ("SSK"), IN RESPECT OF AN ALLEGED CONTRAVENTION OF SECTION 4(1)(b)(i) OF THE COMPETITION ACT, 1998 ("THE ACT").

2. The Complaint and Complaint Investigation

- 2.1. On 17 March 2009 the *Commissioner* initiated a complaint against Afgri Operations Limited ("Afgri"), Senwes Limited ("Senwes"), Noord-Wes Koöperasie Limited ("NWK"), OVK Operations Limited ("OVK"), Suidwes (Pty) Limited ("Suidwes"), Vrystaatse Koöperasie Limited ("VKB") and the Grain Silo Industry ("GSI") for alleged contravention of section 4(1)(b)(i) of the Act.
- 2.2. The investigation revealed that the storage rate is agreed to and assented to not only by the entities against whom the original complaints initiation was made, but by all members and shareholders of GSI. In the circumstances, on 25 May 2010 the *Commissioner* expanded the investigation to refer to all seventeen (17) respondents.

2.3. The *Commission* conducted its investigation and concluded that:

2.3.1. the *respondents* and GSI have contravened section 4(1)(b)(i) of the Act. The essence of the conduct complained of is that the respondents and GSI have contravened section 4(1)(b)(i) of the Act in that they fix the prices of the daily storage tariff for the storage of grain. This is done for application throughout the Republic. The first to sixteenth *respondents* are all former cooperatives who own grain storage silos and provide other agricultural services and are competitors in the market for grain storage.

2.4. The *Commission* found that:

2.4.1. Notwithstanding the fact that they are competitors, the first to sixteenth *respondents* are all shareholders or members of the GSI. Although the GSI is a private company, it amounts to an industry association for members of the grain storage industry. SAFEX placed the onus for the determination of the storage rate on the GSI on the basis that it had the necessary knowledge and understanding of the costs involved in providing storage. Until 2008, SAFEX requested the standardised tariff from the GSI on an annual basis. In 2008, as is set out below, the GSI declined to provide the standardised storage tariff to SAFEX any longer on account of the *Commission's* contentions that it and its members were contravening section 4(1)(b)(i) of the Act.

2.4.2. It was the GSI's technical committee that was responsible for fixing the daily storage tariff on behalf of the GSI and its members. In response to requests from SAFEX, the GSI consulted its shareholders. The shareholders submitted individual proposals as to the appropriate storage rate to GSI. These rates were collated and evaluated by the GSI's technical committee, the members of which are from competing silo companies. The technical committee then decided on a rate and this was then submitted to SAFEX on behalf of GSI and its shareholders.

2.4.3. The essence of the conduct complained of is that the daily storage tariff proposed by GSI is agreed to and assented to by all of the

respondents. Given that the first to sixteenth respondents are all competitors in the provision of storage services, the joint determination of the daily storage rate amounts to prohibited price fixing in that it quite simply amounts to an agreement between firms in a horizontal relationship for the direct fixing of storage prices.

- 2.4.4. The manner in which the *SAFEX* storage tariff is determined is, in the Commission's view, restrictive of competition. In addition to agreeing to the *SAFEX* rate, the respondents exchanged detailed cost information. In addition, the storage tariff determined for *SAFEX* purposes has been used to determine storage fees in respect of sales transactions in the physical market. This amounts to collusion.

- 2.5. The *Commission* took a decision to refer to the *Tribunal* its complaint that is described above.

3. Statement of conduct by SSK

- 3.1. SSK admits that, as a member of the GSI, it was asked on two occasions for input regarding the standardised daily wheat storage tariff which were to be recommended to *SAFEX*, namely:
- 3.1.1. via e-mail during February 2003;
- 3.1.2. via e-mail in June 2007 when it was requested to indicate if its systems could accommodate ½ cent tariffs.
- 3.2. SSK therefore participated, to the aforesaid limited extent, in agreeing on the standardised daily wheat storage tariffs which were recommended to *SAFEX*. As it had (and still has) no other option in the market circumstances, it also used the *SAFEX* daily wheat storage tariffs in respect of transactions in the physical market.
- 3.3. Although SSK acted *bona fides*, it accepts that its aforesaid conduct may be perceived as constituting a contravention of section 4(1)(b)(i) of the Act.
- 

4. **Administrative Penalty**

- 4.1. Having regard to the provisions of sections 58(1)(a)(iii) as read with sections 59(1)(a), 59(2) and 59(3) of the Act, SSK accepts that a contravention of section 4(1)(b)(i) may lead to the imposition of an administrative penalty where the *Tribunal* deems it appropriate.
- 4.2. SSK will therefore pay an administrative penalty in the amount of R75 852.04.
- 4.3. This amount constitutes 4% (four per cent) of the total wheat daily storage tariff silo turnover for the 2009 financial year;
- 4.4. SSK will pay the amount set out in paragraph 4.2 above to the *Commission* upon the date of confirmation of this *Consent Agreement* by the *Tribunal*.
- 4.5. This payment shall be made into the *Commission's* bank account, details of which are as follows:

Bank name: Absa Bank
Branch name: Pretoria
Account holder: Competition Commission Fees Account
Account number: 4050778576
Account type: Current Account
Branch Code: 323 345

- 4.6. The payment will be paid over by the *Commission* to the National Revenue Fund in accordance with section 59(4) of the Act.

5. **Agreement Concerning Future Conduct**

- 5.1. SSK agrees to fully cooperate with the *Commission* in relation to the prosecution of the complaint referral. Without limiting the generality of the foregoing, SSK specifically agrees to:

- 5.1.1. Testify in the complaint referral (if any) in respect of alleged contraventions covered by this *Consent Agreement*; and
- 5.1.2. To the extent that it is in existence, provide evidence, written or otherwise, which is in its possession or under its control, concerning the alleged contraventions contained in this *Consent Agreement*.
- 5.2. SSK agrees that it will in future refrain from the provision of contractual undertakings that have the potential to constitute contraventions of section 4(1)(b) of the Act.
- 5.3. SSK shall develop, implement and monitor a competition law compliance programme incorporating corporate governance designed to ensure that its employees, management, directors and agents do not engage in future contraventions of the Competition Act. In particular, SSK shall:
 - 5.3.1. draft and implement a competition policy and compliance programme;
 - 5.3.2. provide training on competition law compliance on issues particularly relevant to SSK and its employees and officials;
 - 5.3.3. provide training on competition law compliance to all persons and/or officials employed by SSK in managerial and marketing capacities after the confirmation of this *Consent Agreement* by the Tribunal;
 - 5.3.4. update the competition policy and training annually to ensure SSK's continued compliance with the Act.
- 5.4. SSK shall submit a copy of such compliance programme to the Commission within 60 days of the date of confirmation of the *Consent Agreement* by the Tribunal.

6. Full and Final Settlement

This agreement, upon confirmation as an order by the *Tribunal*, is entered into in full and final settlement and concludes all proceedings between the *Commission* and SSK relating to any alleged contravention by the *Respondents* of the Act that is the subject of the *Commission's* investigation under case no

2009Mar4349.
