2. BACKGROUND TO THE COMMISSION'S INVESTIGATION

- 2.1 The Commission's investigation stems from the Brokrew Acquisition. During March 2012, the Commission received a complaint from Videx alleging that UVSS (known then as Ricoco) had acquired control over Brokrew and UCEV and that the shareholders of UVSS were Macsteel and two brothers, namely Mr Olevano and his brother
- 

Mr Peppie Olevano. Videx alleged that Macsteel and UVSS had contravened section 13(A) of the Act by implementing a merger without the approval of the competition authorities.

2.2 Brokrew was involved in the manufacture and installation of finished steel products and a long-standing customer of Macsteel. At the time that Brokrew was placed in liquidation, its debts to Macsteel exceeded R22 million. UCT, whose subsidiaries, UCEV and VSA, sold mining ventilation and support products to the same or similar customers as Brokrew, wished to acquire Brokrew to compliment UCT's existing business. Mr Olevano approached Macsteel for funding. Macsteel agreed to fund the Brokrew Acquisition with the objective of potentially recouping some of the debt owed to it. Following completion of the bidding process by the liquidators, UCT was selected as the preferred bidder.

2.3 Mr Olevano and Macsteel agreed that the Brokrew business would be acquired through UVSS, then named Ricoco. Mr Olevano also approached Macsteel for assistance with various administrative tasks relating to the Brokrew Acquisition. Macsteel agreed to provide administrative services to assist UVSS, which services included VAT registration, the setting up of a bank account and other activities carried out by administrative and operational personnel of Macsteel. At the time of the Brokrew Acquisition, UCT owned 100% of the shares in UVSS. UVSS in turn acquired the Brokrew business with effect from 22 March 2012.

- 2.4 The Brokrew Acquisition constituted a small merger and was therefore not initially notified to the Commission. However, in June 2012, the Commission directed the merging parties to notify the Brokrew Acquisition. The Brokrew Acquisition was subsequently filed with the Commission on 4 July 2012. The Commission unconditionally approved the Brokrew Acquisition on 28 September 2012, after concluding that it would not raise any competition or public interest concerns and that it was indeed a small merger.
- 2.5 Following the Commission's approval of the Brokrew Acquisition, Macsteel notified the Commission of its intention to acquire 50% of the shares in UVSS by converting the loan granted to UCT for the Brokrew Acquisition into equity in UVSS. As part of the Macsteel Transaction, UCT agreed to transfer the businesses of its two other subsidiaries, UCEV and VSA, into UVSS. The Macsteel Transaction was filed with the Commission on 20 September 2012 and unconditionally approved by the Commission on 11 December 2012.
- 2.6 The Commission, however, continued to investigate the allegation made by Videx that Macsteel and UVSS contravened section 13A of the Act by implementing a merger without the approval of the competition authorities.

3. THE COMMISSION'S FINDINGS

- 3.1 After concluding its investigation, the Commission found that prior to the notification and approval of the Macsteel Transaction, Macsteel was involved in the operations and affairs of UVSS.

Two handwritten signatures are located at the bottom right of the page. The first signature is a stylized 'TB' and the second is a more complex signature, possibly 'MB' with a flourish underneath.

3.2 The Commission concluded that the following factors supported its findings in this regard. Prior to the approval of the Macsteel Transaction:

- 3.2.1 Representatives of Macsteel were involved in discussions on whether or not to change the name of the Brokrew business and Ricoco and offered its recommendation after Mr Olevano sought advice from Macsteel in this regard;
- 3.2.2 Macsteel and Mr Olevano engaged in various discussions regarding the purchase of Ricoco as a shelf company and special purpose vehicle to be used for the Brokrew Acquisition;
- 3.2.3 Macsteel's Chief Financial Officer at the time of the Brokrew Acquisition was involved in the day-to-day operations of UVSS;
- 3.2.4 Upon registration and incorporation of Ricoco, UCT and Macsteel initially nominated two directors to the board of Ricoco, who in turn appointed KPMG auditors and a representative of Macsteel as the company secretary; and
- 3.2.5 A representative of Macsteel performed company secretarial functions and provided administrative support to UVSS in its day-to-day operations.

Handwritten signature and initials, possibly "B" and "MB", in the bottom right corner.

3.3 The Commission referred its case to the Tribunal and applied for an order in the following terms:

3.3.1 declaring that the Respondents contravened the provisions of section 13A(1) and 13A(3) of the Act, and

3.3.2 imposing an administrative penalty against the Respondents, jointly and severally, of an amount not exceed 10% of the Respondents turnover in the Republic and their exports from the Republic in the preceding financial year in terms of section 59(1)(d)(i) and 59(1)(d)(iv) of the Act.

3.4 The Respondents opposed the Commission's application on various grounds. The Parties subsequently entered into settlement negotiations pursuant to which this Consent Agreement was concluded. The Respondents have agreed to enter into this Consent Agreement in the interests of resolving this matter expeditiously.

4. ADMISSION OF CONDUCT

4.1 The Respondents admit the following in respect of the Commission's findings:

- 4.1.2 Macsteel engaged with Mr Olevano and offered its recommendation on changing the name of Ricoco and the appointment of KPMG as auditors of Ricoco;

- 4.1.4 Macsteel performed certain administrative services for UCT, including company secretarial duties, as part of a service agreement concluded between UCT and Macsteel.
- 4.2 The Respondents acknowledge that the above conduct may constitute the implementation of a notifiable merger prior to the approval of the Commission in contravention of section 13(A) (1) and 13(A) (3) of the Act, and for this reason, has agreed to settle this matter.

- 6.2 The Parties agree that the settlement amount to be paid by the Respondents will be R1 000 000 (One Million rand).
